

Living into God's Story
A Story of Preservation
Genesis 46:1-7, 26-34

Question: How can God's people live into what we know of God's great story?

I. **By Encountering God in Worship (vs. 1-4)**

II. **By Stepping Forward into His Call (5-7, 26-27)**

III. **By Embracing the Goodness We Find (28-34)**

Point to Ponder: If we are not careful, we can easily live life thoughtlessly - failing to recognize the greater story that is being told - a story into which God invites us to live. How intentionally do we step into purposeful worship in which we hear God's Word tell us of the true and great story? Then and only then, will our eyes be open to embrace the deep goodness that our God has for us in this life, and be reminded of the boundless goodness that is ours in eternity.

Next Week: Next Sunday we will continue our sermon series *Living into God's Story* by considering **Genesis 47:1-31** 'A Story of Prospering.'
