

Living Wisely
A Warning to Heed
Proverbs 7

Question: What does godly wisdom look like in an increasingly sexualized world?

I. A Call to Value Wisdom for Living (1-5)

II. A View to One Lacking Wisdom (6-9)

III. The Trap Built for One Lacking Wisdom (10-20)

IV. The Trap Closes on One Lacking Wisdom (21-23)

V. So Let Wisdom Guide Our Living (24-27)

Point to Ponder: What margins in our life could we draw, and what commitments could we make, to protect us from saying about sexual sin: *"It came out of nowhere!"*

Next Week: Next Sunday we will continue our series in Proverbs called *Living Wisely*, considering Proverbs 29:2 'Lives that Make People Rejoice.'
